Lunch Barcodes

Printing Lunch Barcodes

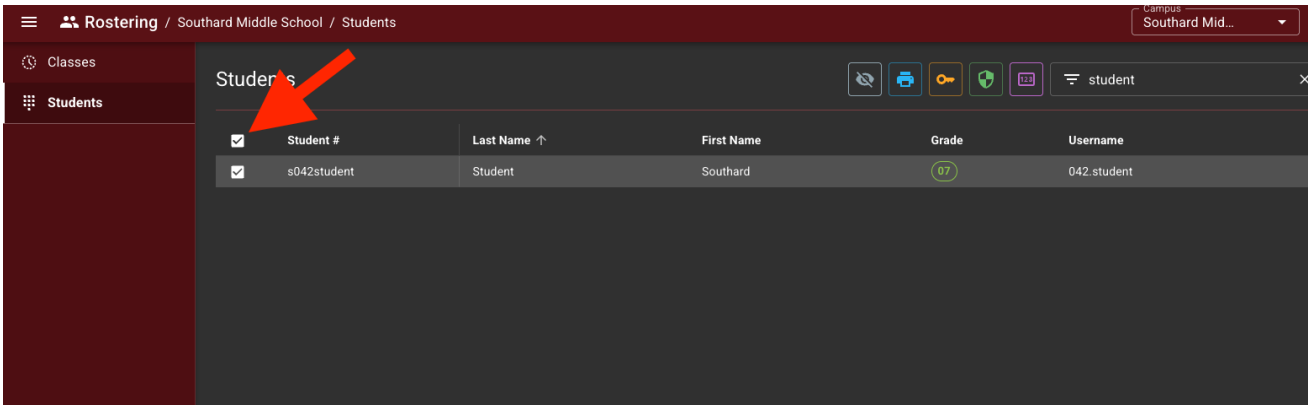
Teachers are able to print lunch barcodes for their students using the Rostering Portal available in ClassLink.

1. Click on the Rostering Portal in ClassLink. 

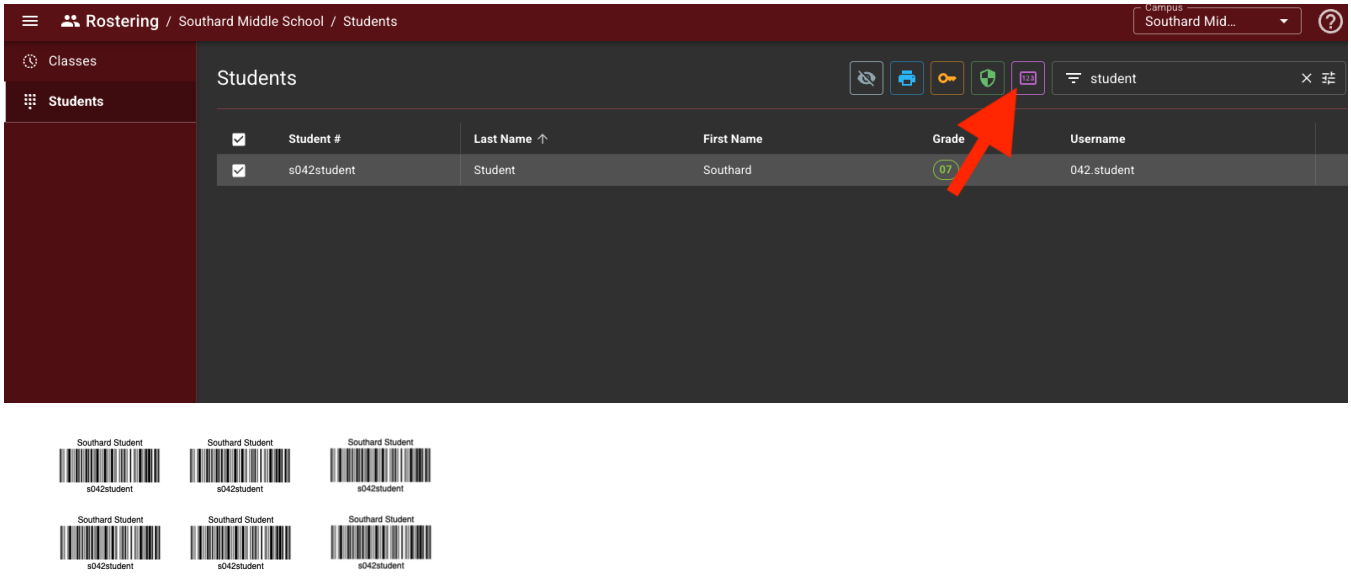
    - (Alternatively, go to https://rostering.princetonisd.net and click Sign In with ClassLink)

2. Select the students you want to print using the check boxes on the left.

    - To select all students, click the check box on the header row.



3. Click the purple barcode button at the top of the table



4. A PDF will be generated which can then be printed, cut, and laminated.
