

# Managed Websites and Applications

Auto Fill applications require the [ClassLink OneClick Extension](#).

Crossed out applications are no longer provided by the district.

| Application                    | Import Type     | ClassLink | SSO Type                       | Notes  |
|--------------------------------|-----------------|-----------|--------------------------------|--|
| <del>Accelerate Learning</del> | Automatic       | Yes       | Auto Fill                      |  |
| <del>Discovery Ed</del>        | OneRoster       | Yes       | OAuth2                         |  |
| <del>Edgenuity</del>           | OneRoster       | Yes       | SAML                           |  |
| ESTAR/MSTAR                    | Automatic       | Yes       | Auto Fill                      | Requires a valid State ID.   |
| Google                         | Automatic       | Yes       | SAML                           | See <a href="#">this article</a> for details.  |
| HHM, HRW, ED                   | OneRoster       | Yes       | SAML                           |  |
| <del>Imagine Learning</del>    | Manual          | Yes       | Auto Fill                      |  |
| iStation                       | Automatic       | Yes       | LTI                            | Requires a valid State ID.   |
| IXL                            | Automatic       | Yes       | <b>Google SSO</b> or Auto Fill | <b>Sign in with Google is supported for all users.</b><br>Teacher passwords are set by the teachers.<br>Student passwords are set by the import but can not be enforced. |
| McGraw Hill                    | OneRoster       | Yes       | SAML                           |  |
| MySciLearn                     | Manual (Campus) | Yes       | Auto Fill                      | Prompts for Auto Fill password on first launch.  |
| SAVVAS                         | OneRoster       | Yes       | SAML                           |  |
| Schoology                      | Automatic       | Yes       | SAML                           |  |
| Study Island                   | OneRoster       | Yes       | Auto Fill                      |  |

|           |           |     |     |  |
|-----------|-----------|-----|-----|--|
| Eduphoria | Automatic | Yes | SSO |  |
