

Unlock Schedules

Scope

The outer front door of every school building will be on an unlock schedule.

Schedule

Schedules will not activate until the first member of office staff has scanned their badge on the front door reader.

Elementary schools are scheduled to unlock from 8:00AM - 4:30PM

Secondary schools are scheduled to open from 7:00AM to 3:30PM

Temporary Override

Any member of office staff can deactivate the schedule by double-scanning their badge on the front door. Doors that are scheduled to unlock will also lock if the lockdown button is pressed.
