Navigation

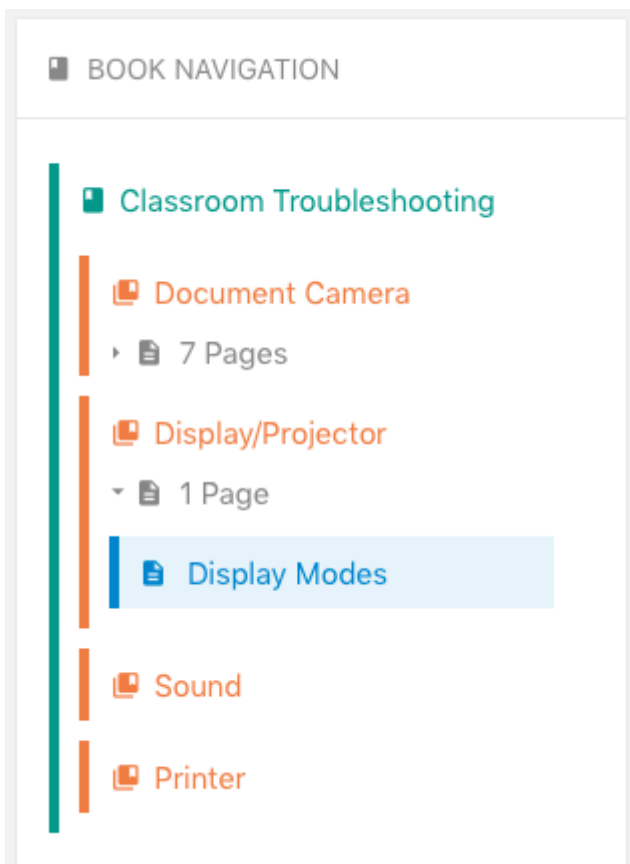

Getting Started

The knowledge base is organized into **books** and **chapters**. The best place to begin browsing at the books page. There is a link labeled Books on the blue bar at the top of the page. Alternatively, click the image below.

A blue rectangular button with a white document icon and the text "Books".

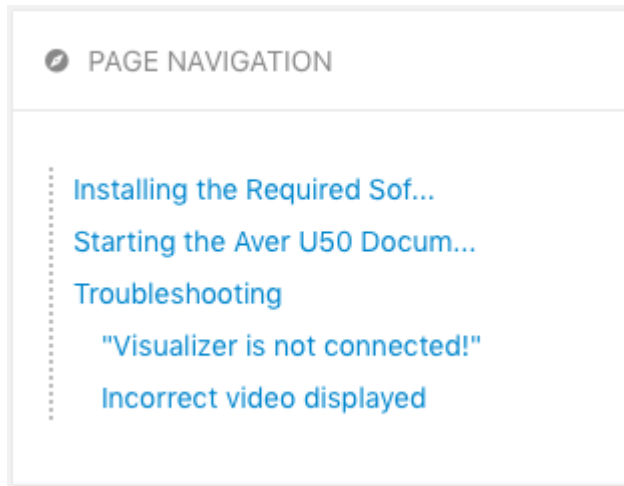

Books and Chapters

Within Book, Chapters, and Pages, a module is displayed on the left side of the screen labeled BOOK NAVIGATION. This module displays a tree view of your current position within the knowledge base. It can be used to navigate easily to another spot in the tree.

Pages

In addition to the BOOK NAVIGATION module, a Page Navigation module is displayed in Page view. This allow for quick navigation to the relevant portion of a given page. For example, in the following article, it is easy to navigate quickly to the "Visualizer is not connected!" troubleshooting steps by simply clicking the link.

Search

The best place to start looking for a solution is to use the search bar at the top of the page. Enter some text and then hit the **Enter/Return** key to search. Results can be further refined by using the tools on the left side of the results page.

The screenshot shows the Princeton ISD Knowledge Base interface. At the top, there is a blue header with the Princeton ISD logo, a search bar containing 'document camera', and links for 'Books' and 'Log in'. Below the header, a search bar on the left contains 'Search for document camera'. To the left of the search results is a sidebar with 'SEARCH FILTERS'. The filters include 'Content Type' with checkboxes for 'PAGE' (checked), 'CHAPTER' (checked), and 'BOOK' (checked); 'Exact Matches' with a radio button for 'Add' (checked); 'Tag Searches' with a radio button for 'Add' (checked); 'Options' with checkboxes for 'VIEWED BY ME', 'NOT VIEWED BY ME', 'PERMISSIONS SET', 'CREATED BY ME', and 'UPDATED BY ME'; and 'Date Options' with links for 'Updated after', 'Updated before', 'Created after', and 'Created before', each with a 'Set Date' link. At the bottom of the sidebar is a blue 'UPDATE SEARCH' button. The main content area is titled 'Search Results' and shows '8 total results found'. The results are listed as follows: 1. 'Using the Aver CP135 Document Camera' with a subtext 'Installing the Required Software In order to use the Aver CP135 document camera, the Sphere 2 ...'. 2. 'Using the LadiBug DC-158 Document Camera' with a subtext 'The below procedure is for USB operation only. If the document camera has more than two cab...'. 3.
